What our clients have to say about Elizabeth's New Life Center:

- *Elizabeth's New Life Center definitely helped me make a decision not to have an abortion. They were there to listen and help me in many ways.*
- *With our first child we would have been so lost without the classes, especially the couples' class, and the boutique is an absolute godsend!*
- *Elizabeth's New Life Center helped me decide to have my baby. I didn't know anything about babies before. I felt helpless and was in a bad situation and didn't know what I was going to do. They helped me with everything.*
