### What our clients have to say about Elizabeth's New Life Center:

- *Elizabeth's New Life Center definitely helped me make a decision not to have an abortion. They were there to just listen and were there for any help I needed.*
- *With our first child we would have been so lost without the classes, especially the couples' class, and the boutique is an absolute godsend!*
- *Elizabeth's New Life Center helped me decide to have my baby. I didn't know anything about babies before. I felt helpless and was in a bad situation and didn't know what I was going to do. They helped me with everything.*

## VOLUNTEER OPPORTUNITIES

Elizabeth's New Life Center, a local 501(c)(3) non-profit organization, thrives because so many in the community volunteer their time and talent in support of our mission. We offer a wide range of volunteer opportunities, and we have volunteers spanning all age groups. Volunteers are needed in the daytime, evenings and on weekends, depending on the service provided. Service can be offered sporadically or through a regular commitment.

*Please consider sharing your God-given talents in support of our mission and vision.*

### Client Services (Consultant)

Volunteers encourage clients to make life-affirming choices and provide clients with realistic and caring support through numerous services in our Women's Centers.

### Medical Services

Volunteer medical professionals (nurses, doctors, ultrasound technicians and radiologists) provide medical services at Holy Family Prenatal Care and in our women's centers, including STD testing and limited ultrasound scans for women, especially those considering abortion.

### Education

Volunteers share their relevant expertise with our clients in a classroom setting and lead "booster sessions" on topics that support marriage and family.

### Boutique Assistance

Volunteers assist with receiving and displaying donations as well as serving clients in our boutiques.

### Support and Healing Services

Facilitate groups or individuals through an eight-week program for those who have had personal experience with abortion. Volunteers guide participants in finding Christ's forgiveness and healing in a supportive setting.

### Women's Center Receptionist

Volunteers help with answering telephones, assisting clients with checking in scheduling appointments, and assisting with administrative functions.

### Administration

Administrative volunteers help with data entry, mailings, copying, etc. on an as-needed basis.

### Prayer Support

Prayer requests are sent monthly to volunteers who ensure that all our programs, clients and volunteers are supported through intercessory prayer. We also have a special group of Redemptive Sufferers who offer their suffering for our work in support of life.

### Special Events

Volunteers assist with a variety of activities and events, including our Partnership Banquets, Baby Showers, Giving Tree projects and Bottles for Babies campaigns.

### Youth Volunteers

Teen and young adult volunteers are regularly utilized as babysitters, focus groups and weekend boutique assistants.

### Maintenance

Volunteers assist with facility upkeep, painting, moving/hauling and gardening.

### Servant Leader

Leaders from the community are selected to support the mission of Elizabeth's New Life Center by serving on the Board of Directors, various task forces, advisory councils or other committees.

### Professional Services

We appreciate advice and assistance to address a variety of needs, including media, marketing, and legal issues.

### Other Services

If you or your business can donate a service (catering, snow plowing, cleaning, etc.), please let us know!
